

This listing of claims will replace all prior versions, and listings, of claims in the application:

**Listing of Claims**

We Claim:

Claims 1-11 (Canceled)

Claim 12 (Currently Amended) A golf club head comprising:

a heel;

a toe;

a top portion;

a sole portion;

a striking face extending from the top portion to the sole portion, the striking face providing a contact area for engaging a golf ball;

a rear face opposite the striking face, the rear face defining a first rear cavity;

a bridge member extending across the first rear cavity; and

a wall extending from the top portion to the bridge member, the wall forming a second rear cavity, the second rear cavity located between the bridge member and the top portion, the second rear cavity including an epoxy, the second rear cavity including the epoxy and the bridge member varying a center of gravity of the golf club head with respect to the striking face.

Claim 13 (Original) The golf club head of claim 12, wherein the golf club head further comprises a space between the rear face and the wall.

Claims 14- 17 (Canceled)

Claim 18 (Original) The golf club head of claim 12, wherein the wall comprises a plastic.

Claims 19-20 (Canceled)

Claim 21 (Original) The golf club head of claim 12, wherein the wall is integrally formed with the top portion.

Claims 22-34 (Canceled)

Claim 35 (Currently Amended) A short iron cavity back golf club head, the short iron cavity back golf club head comprising:

a body having a toe, a heel, a top portion, a sole portion, a striking face, a rear face opposite the striking face;

a single bridge member extending across a first rear cavity; and

a second rear cavity, the second rear cavity defined by a wall, the wall connecting the bridge member to the top portion of the short iron cavity back golf club head, the second rear cavity including an epoxy, the second rear cavity including the epoxy and the single bridge member varying a center of gravity of the short iron cavity back golf club head with respect to the striking face.

Claim 36 (Original) The short iron cavity back golf club head of claim 35, wherein the short iron cavity back golf club head comprises a six iron.

Claim 37 (Original) The short iron cavity back golf club head of claim 35, wherein the short iron cavity back golf club head comprises a seven iron.

Claim 38 (Original) The short iron cavity back golf club head of claim 35, wherein the short iron cavity back golf club head comprises an eight iron.

Claim 39 (Original) The short iron cavity back golf club head of claim 35, wherein the short iron cavity back golf club head comprises a nine iron.

Claim 40 (Original) The short iron cavity back golf club head of claim 35, wherein the short iron cavity back golf club head comprises a pitching wedge.

Claims 41-43 (Canceled)

Claims 44 (Original) The short iron cavity back golf club head of claim 35, wherein the wall comprises a plastic.

Claims 45-46 (Canceled)

Claim 47 (Original) The short iron cavity back golf club head of claim 35, wherein the wall is integrally formed with the top portion.

Claim 48 (Original) The short iron cavity back golf club head of claim 35, wherein the wall connecting the bridge member to the top portion comprises a curve.

Claims 49-50 (Canceled)

Claim 51 (Currently Amended) A golf club head comprising:

a heel;

a toe;

a top portion;

a sole portion;

a striking face extending from the top portion to the sole portion, the striking face providing a contact area for engaging a golf ball;

a rear face opposite the striking face, the rear face defining a first rear cavity;

a bridge member extending across the first rear cavity, the bridge member connecting the heel and the toe; and

a wall extending from the top portion to the bridge member, the wall spaced apart from the rear face, the wall forming a second rear cavity, the second rear cavity including an epoxy, the second rear cavity including the epoxy and the bridge member varying a center of gravity of the golf club head with respect to the striking face.

Claim 52 (Canceled)

Claim 53 (Original) The golf club head of claim 12, wherein the bridge member connects the toe and the heel.

Claim 54 (Canceled)

Claim 55 (Original) The short iron cavity back golf club head of claim 35, wherein the single bridge member connects the toe and the heel.

Claims 56-59 (Canceled)
